

## **Challenge Quilt**

The theme for this year's challenge quilt will be Making a Grand Entrance. You may interrupt this any way you like as it has many possibilities. My first thought was a door, as there are many interesting doors. You may see one on your vacation that inspires you. However, you may interrupt this theme any way you like.

Rules:

1. 20" x 20"
2. Must have a hanging sleeve (these will be hanging at the 2020 quilt show)
3. Must have a label: name, address, phone #, Theme and you may also give your quilt a name if you like.
